2. Acceptance or Rejection. The undersigned understands that Eagle Natural Resources, LLC ("ENR" or the "Managing Venturer") may accept or reject this Application Agreement and tender of initial capitalization, in whole or in part. **In the event that the Managing Venturer accepts this Application Agreement, it shall be irrevocable and binding upon the Participant.**

3. Suitability. The undersigned warrants and represents that notwithstanding his age, financial position and general health that he is capable of and has made an independent investment decision that participation in the Venture is a suitable investment for him. The undersigned possesses extensive experience and knowledge in business affairs such that he is capable of intelligently exercising his management powers as a Venturer.

4. No Reliance. The undersigned is not relying on the unique entrepreneurial or managerial ability of ENR or any affiliate for the success of the Venture, and that his experience and knowledge in business affairs enable the undersigned to replace ENR and otherwise exercise meaningful joint venture powers. The undersigned understands and stipulates for all purposes that other drillers, operators, joint venture managers, and related oil and/or gas experts are readily available in Texas and elsewhere that are competent to perform ENR's functions.

5. Separate Account. The undersigned understands that the total amount submitted will be deposited in a separate segregated account and will be promptly returned to the undersigned, without interest, if: (a) this Application Agreement has not been accepted and is subsequently rejected by the Managing Venturer within 30 days of receipt by the Managing Venturer as provided in the Joint Venture Agreement (the "Joint Venture Agreement"); or (b) capitalization of less than \$50,000 (the "Minimum Initial Capitalization") is received from the sale of Units by the close of the Capitalization Period. It is understood and agreed that if this Application Agreement is accepted by the Managing Venturer, the funds tendered herewith shall be deposited to the general account of the Venture and shall be considered assets of the Venture and applied in accordance with the Agreement. If the undersigned is allocated less than the number of Units applied for and the full amount for the Units has been timely paid in full, the Managing Venturer shall remit the balance of the full amount paid, if any, to the undersigned within 7 days after such partial acceptance of this Application Agreement.

6. Information. The undersigned acknowledges that: (1) the information received concerning participation in the Venture was made only through direct, personal communication between the undersigned and a representative of the Managing Venturer; (2) the undersigned has received and read a copy of the Confidential Information Memorandum, dated April 1, 2025 (the "Memorandum"), including all exhibits and supporting documents thereto; (3) the undersigned has had the opportunity to obtain all additional information desired in order to verify or supplement the material contained in the Memorandum; and (4) the undersigned has been advised in writing by the Managing Venturer that a Participant must be prepared to bear the economic risk of such participation for an indefinite period because of (a) the nature of a venture in oil exploration and development; and (b) the substantial restrictions on transfer of the Units as set forth in, among other documents, this Application Agreement and the Joint Venture Agreement. By executing this agreement, the undersigned represents and warrants that the undersigned is financially able to bear the risk of losing his entire capital contribution and that the undersigned relied solely upon the Memorandum, including all exhibits and supporting documents thereto, and the independent investigations made by the undersigned or the undersigned representative indicated in the Questionnaire, in making the decision to participate in the Venture.

7. Competitive Businesses. The undersigned acknowledges that the Managing Venturer and its affiliates are and may in the future be engaged in businesses which are competitive with the business of the Venture as described in the Memorandum and agrees and consents to such activities, even though there are conflicts of interest inherent therein.

8. Nature of Units. The undersigned acknowledges and understands that participation in the Venture is not intended or considered by the Managing Venturer to be “securities” as that term is used in state and federal securities regulation; that participation in the Joint Venture is an active business venture requiring the exercise of experience and knowledge in business affairs while participating as a Venturer; that participation in the Joint Venture is not a passive investment or activity; that, notwithstanding the foregoing, the Managing Venturer may nevertheless seek to qualify the offer and sale of Units as transactions exempt from the registration requirements of federal and state securities laws and regulations, as if the Units were securities; and that the Managing Venturer will rely upon the representations of the undersigned, as herein contained and as may be contained in other documents provided to the undersigned, in the application or qualification of any such aforementioned exemption.

9. Execution of Joint Venture Agreement. When accepted by the Managing Venturer, in whole or in part, this agreement shall be valid and binding on the undersigned and the Venture for all purposes. The undersigned represents and warrants that the undersigned has received, read and understands the Joint Venture Agreement. The signature of the undersigned to this Application Agreement may be deemed for all purposes as the execution of the Joint Venture Agreement by the undersigned to the same extent and effect as if the undersigned has signed the Joint Venture Agreement on the date of the acceptance of this Application Agreement by the Managing Venturer. If requested, the undersigned agrees to execute the Joint Venture Agreement or a multiple original copy of such document.

10. Restrictions on Transfer. The undersigned understands and acknowledges that the Joint Venture Agreement contains certain provisions restricting the transfer of the Units applied for hereby and to which the undersigned will be bound. If this Application Agreement is accepted in whole or in part, the undersigned agrees that the undersigned will not sell or attempt to sell all or any part of the Units allocated to the undersigned unless he has complied with the restrictions on transfer contained in the Joint Venture Agreement. The undersigned understands and realizes that the Units cannot be readily sold or liquidated in case of an emergency or other financial need and further that in any event, the transfer of the Units is restricted in such a manner so that any proposed sale could be significantly delayed since the sale of Units is subject to the first refusal of the other Venturers. The undersigned hereby represents and warrants to the Venture that sufficient liquid assets are otherwise available to the undersigned so that participation in the Joint Venture will cause no undue financial difficulties.

11. Indemnification. The undersigned recognizes that the acceptance of his Application will be based upon his representations and warranties set forth herein and in other instruments and documents relating to the participation of the undersigned in the Venture, and the undersigned hereby agrees to indemnify and defend the Managing Venturer and the Venture and to hold such firms and each officer, manager, member, agent, attorney and/or Participant thereof harmless from and against any and all loss, damage, liability or expense, including costs and reasonable attorneys’ fees, to which they may be put or which they may incur by reason of, or in connection with, any misrepresentation made by the undersigned in this Application Agreement, the Questionnaire, or elsewhere, any breach by the undersigned of his representations and warranties, and/or failure by him to fulfill any of his covenants or agreements set forth herein or elsewhere. In addition, any such breach shall result in forfeiture of his Venture interests.

12. Confidentiality. The undersigned acknowledges and understands that upon his acceptance as a Venturer he shall come into possession of non-public, confidential and/or proprietary information which relates to the Venture (“Confidential Information”) including, but not limited to, information which relates to the individual Venturers as well as the business of the Joint Venture, and any other information which the Venture or Managing Venturer believes would be detrimental to the Venture or Venturers if disclosed to the public or to a third party (whether specifically designated by the Venture or Managing Venturer as such or otherwise). The undersigned agrees that, in exchange for access to the Confidential Information and the rights to which the undersigned will be entitled as a Venturer, he or she will hold all Confidential Information in trust for the Venture and will not: (i) use the Confidential Information for any purpose other than the benefit of the Venture; or (ii) disclose to any person or entity any Confidential Information except when necessary for legitimate Venture purposes. The undersigned acknowledges and agrees that in the event of any breach of this provision the Venture would be irreparably and immediately harmed and could not be made whole by monetary damages. Accordingly, the undersigned agrees that in addition to any other

remedy to which the Venture may be entitled at law or in equity, the Venture shall be entitled to an injunction (without posting of bond and without proof of actual damages) to prevent further breaches of this provision.

13. **Entire Agreement.** This writing, along with the Memorandum (and exhibits attached thereto) and the Questionnaire, contains the entire agreement of the parties with respect to the matters contained herein, supersedes all oral agreements and representations, and may be changed, altered or amended only by a writing specifically referring to this Application Agreement and signed by the party against whom enforcement of the change, alteration or amendment is sought.

14. **Applicable Law.** This Agreement will be construed according to the laws of the State of Texas, and is performable in the City of Dallas, Dallas County, Texas. The courts located in the State of Texas, state or federal, shall have exclusive jurisdiction to hear and determine all claims, disputes, controversies and actions arising from or relating to this agreement and any of its terms or provisions, or to any relationship between the parties hereto, and venue shall be in the courts located in Dallas County, Texas. The undersigned expressly consents and submits to the jurisdiction of said courts and to venue being in Dallas County, Texas. The prevailing party in any judicial proceeding relating to this Application Agreement will be entitled to an award of attorneys' fees, expert witness fees and all costs of the proceeding, which shall be paid by the non-prevailing party.
